

Herco Speculoos Spread, Topping & Crumb

Herco are made based on the exquisite artisanal craftsmanship honoring the long time tradition of Belgian speculoos.

HERCO® speculoos range is made from the original Belgian speculoos biscuits giving them a delicious taste with the well-known caramelized flavour.

HERCO® speculoos topping and spread is wonderfully creamy and smooth which can add flavour to your chocolate creations. or added crumb for that crunch to your bite.

Product advantages

- Easy preparation and convenient
- Constant high quality
- Made from the finest ingredients
- Contain only non-hydrogenated vegetable fats
- The spreads are both bake and freezeable

Recommended Applications

A perfect topping and spread for breakfast morning goods such as waffles & pancakes or use in hot beverages and cold drinks such as milkshake.

Our HERCO® speculoos topping forms the perfect combination with ice cream, gelato and frozen yoghurts with the crumb bringing crunchyness and flavour to cakes & pies.
