## Finlay's Coconut Macaroon Mix

Coconut macaroons have a unique flavour and texture that sets them apart from other bakes. Finlay's Coconut Macaroon Mix is a deliciously versatile cold process mix, requiring only the addition of water to produce coconut macaroons.

Our mix creates chewy coconut macaroons with flaky coconut exterior and dense soft texture.

### Product advantages

- Quick and easy to prepare
- Delicious flavour, colour and texture when baked
- Flexibility to add flavours and colours

### Recommended Applications

This recipe is perfect with inclusions such as chocolate chips, cherries, raisins or you can dip in chocolate sauce and finish with chocolate drizzle.

### Product Info

#### Pack Size:

A0130 10kg

#### Storage:

Store in cool dry conditions  
Store at max. 18°C

#### Life from Manufacturer:

6 months shelf life unopened at a stable temperature

#### Suitable for:

Vegetarians

#### Pallet build:

10 kg x 70
