

## BAKO White Grilled Panini

An authentic Italian-style white baguette, enriched with extra virgin olive oil. Designed to be sliced, filled and grilled to produce a hot flat sandwich. On average 270mm (approx. 10½") in length. The perfect grilled sandwich carrier for a café, coffee shop, restaurant, hotel or contract caterer.

### F81888 Lantmannen White Grill Marked Panini 30 x 135g

#### Re-heating Guidelines:

Defrost in temperature controlled conditions or overnight in a refrigerator.

Place on a baking tray in a pre-heated oven at 200°C / 400°F / Gas Mark 6 for approximately 4 - 5 minutes to give a slightly crusty top or until filling is hot.

#### Product advantages

No oven, no problem, our range of paninis come fully baked, simply thaw & serve within 1 hr. Helping you minimise waste and continue to maximise quality.
