

Finlay's Sunflower Top Shine

Want to elevate your bakes to the next level? To give your bakes a stand out appearance, Sunflower Top Shine glaze gives a non-sticky, high gloss finish when applied to hot baked goods. Made simply by adding water, adding spice to the mix leaves added colour and flavour.

To work as a seed adhesive, the level of concentrate can be changed depending on water to create a sticky solution.

Product advantages

- Dissolves instantly in water and is ready to use
- High gloss, non-stick finish to bakes
- Works as a seed adhesive
- No added colour

Recommended Applications

Finlay's Sunflower Top Shine can be sprayed onto Fruit breads, Rolls and Pastries to give a high gloss finish after baking.
